

CURRICULUM VITAE

PERSONAL INFORMATION

Full Name: Enock Mogusu Oresi
Postal Address: P.O. Box 66-40501, Ikonge
Mobile Number: 07 240 097 51
Email Address: enockoresi01@gmail.com
Nationality: Kenyan
Date of Birth: 30th August 2001
Religion: Christian
Marital Status: Single
Gender: Male
Languages Spoken: English, Kiswahili, Kalenjin
ID Number: 39118114

CAREER OBJECTIVE

I am a passionate and highly motivated Computer Science graduate with a strong interest in using technology to promote security, efficiency and transformation in government institutions. My goal is to work with an organization, applying my technical skills in system support, programming, and digital platforms. I aim to enhance operational efficiency through secure and innovative technological solutions aligned with national priorities.

PERSONAL PROFILE

I am an energetic, disciplined, and detail-oriented ICT professional with proven experience in providing digital services, supporting online government platforms, and implementing secure and user-friendly systems. I am a selfstarter, excellent communicator, and team player who thrive in fast-paced environments. My interests lie in Artificial Intelligence, web development, and advancing cybersecurity in public service.
